But Finally Relieved by S. S. S.
"I was sufering with Blood Poison, and treated several months with Mercury and Potash, only to make me worse. The Potash took away my appetite and give me dyspepsia, and both gave me rheumatism. I then took Sarsaparillas, etc. All these Sarsaparilla mixtures have Potash in them. This made me still worse, as it drove the poison farther into my system, A friend insisted I should take Swift's Specific, and it cured me of the Blood Poison, drove the Mercury and Potash out of my system, and to-day I am as well as I ever was."
